INCINERATOR WILL BE RECOMMENDED FOR THIS CITY

Mayor and Chairman Watkins Visit Lexington and Inspect Incinerator Plant, Expect to Go to Covington and Newport Next Week.

At the last meeting of City Council the matter of installing an incinerator in Maysville in which to burn all garbage and rubbish instead of dumping it on the city dumps in various parts of the city to catch fire and endanger the adjoining property, was referred to the Internal Improvement Committee, of which Mr. William Watkins is chairman, to make investigations and recommend action to council.

With Mayor Thomas M. Russell, Chairman Watkins went to Lexington Friday on an inspection tour to look into the Lexington incinerator plant and system and these two officials today report that they are very much pleased with the system in use there and have learned that a similar plant on a smaller scale can be installed in Maysville without a great outlay which will do the work well and give much relief to the public.

Before deciding on their recommendations to Council, however, the officials will next week visit Covington and Newport to inspect their plants and it is more than likely that at the next meeting of the City Council, which will be the last full meeting for the present council, a definite recommendation will be made by the committee and council will more than likely take some action on this very important matter.

The present city council could not do a more worthy or popular thing as its last official act affecting the entire city than to solve this big problem which has been a big problem ever since Maysville stepped out of the village class.

TEAM OUT ON SEVENTY-FIVE MILLION CAMPAIGN

INFLUENZA REPORTED IN ORANGEBURG NEIGHBORHOOD

Seven Cases of Influenza Reported From Orangeburg to County Health Department Which Takes Every Possible Precaution Against Spread.

Dr. J. S. Rice, Mason County Health Officer, reports that although this time last year Influenza and Pneumonia was raging and probably at its worst in Mason county, conditions this year are much more encouraging just at this time.

The only part of the county where Influenza is reported in anything like a bad stage is the Orangeburg neighborhood. There have been seven new cases of flu reported to the County Health department from this district in two days only three of the cases, however, are at all serious.

Dr. Rice and Miss Casey have been taking every possible precaution against the spread of the disease and as one of these precautions they are visiting the county schools and giving the students a very careful examination. While more than 130 children have been examined by these Health Department officials during this week, they have discovered but one child with any symptoms of influenza. One child was sent home from the Orangeburg school and it developed the disease on the following day.

Dr. Rice says there is no reason for alarm in Mason county as everything is in splendid condition and both the Health Department and the physicians are in much better shape to fight the disease than they were a year ago. The chief thing is to keep cool.

NOTICE OF ANNUAL MEETING OF MASON COUNTY CHAPTER OF AMERICAN RED CROSS

Please take notice that the Annual Meeting of the Mason County Chapter of the American National Red Cross will be held on Wednesday, October 22, 1919, at 2 o'clock p.m. of said day at old Library Building, Sutton street, Maysville, Kentucky, for the election of a Board of Directors, consideration of and action upon reports, and transaction of such other business as may properly come before the Chapter. Each member of the Chapter is earnestly urged to be present.

FIRST CONCERT IN MUSICAL TREAT TO BE GIVEN MONDAY

Oscar Seagle and Barbara Maurel, Both Famous Vocalists of International Reputation to Be Heard Here on Next Monday Evening at the Washington Opera House.

Washington.

The first of the famous artist series of musicals given at the Washington theater under the personal direction of Messrs. J. G. and William F. Murphy will be on next Monday evening when Oscar Seagle, famed American baritone, and Mlle. Barbara Maurel inter-nationally known mezzo soprano give joint concert.

Most people who aren't New Yorkers think that as soon as the first concert of the fall has taken place in Aeolian Hall that the musical season is over. But the seasoned New Yorker who is interested in things musical knows that the season isn't really on until two or three of the really great ones have been heard at Carnegie Hall, where the biggest artists always sing, because that is the only auditorium in New York big enough to accommodate the audience drawn by a really great artist. One of those artists whose first concert signals that the worthwhile season is really on, is Oscar Seagle, the eminent American baritone. Mr. Seagle naturally has to give his first New York concert early, because he gives a half a dozen in the metropolis each year, so he has to make an early start.

When Mr. Seagle, who is to appear here in the All-Star Popular Concert Series, sings at Washington Opera House on the evening of October 20, he will certainly tax the capacity of that concert hall to its utmost, just as he does at Carnegie Hall. His work has been the delight of the New York critics, who, until his sensational debut a couple of years ago, had come to the conclusion that a fine baritone voice and exceptional artistry were unknown qualities among American singers. Since then he has met with the most enthusiasm everywhere. He has a most attractive personality which, even in so gifted a person, is a most acceptable quality. During the summer months his services as a teacher are in great demand, and he has just returned to New York after a season of teaching spent at Schrorn Lake.

The lovely prima donna of the Boston Opera Company, Barbara Maurel will appear with him jointly. Mlle. Maurel is a fetching young French girl from Alsace Lorraine, and if there was anyone in this country who gave greater evidence of happiness than did Mlle. Maurel when the news of the liberation of Alsace Lorraine reached our shores, we should certainly like to have seen that person. Like all really great French artists, Mlle. Maurel possesses finesse to the nth degree, and there is no singer in the United States today who can so breathe out the atmosphere of her native France as does this fascinating young girl.

VANCEBURG EDITOR WEDS

The Vanceburg Sun has the following to say of its editor:

Myron F. Grote died himself to London, Ky., Friday where he coaxed a school mate, Miss Agnes Eberhart, to take the journey of life with him, so after the fatal words were spoken they boarded a train for Cincinnati where they visited relatives and did some shopping incident to housekeeping. Tuesday they arrived here where they will make their nest. Tuesday night the boys staged an old fashioned shiveree which, for enthusiasm and the requisite amount of noise, could hardly be improved upon.

TOO COLD FOR BAND STAND CONCERT FRIDAY NIGHT

It was entirely too cold for the members of the Boys' Band to attempt to play a concert in the Market street band stand last night and the band played a couple of numbers near the stand and then marched about the city serenading in various parts of the city. Much improvement is noticeable in the band since it last played in Maysville.

REVIVAL AT LITTLE BRICK CHURCH NEXT WEEK

During this week a song revival has been in progress at the Little Brick Church and there has been much interest taken and much good done through the singing of the gospel. Next week there will be preaching each day by the new presiding elder, Rev. Jones, and the public is cordially invited to attend all of these services.

The Laywell farm of 100 acres at Rectorville was sold Friday through the M. F. & D. B. Coughlin Real Estate Agency by H. C. Hawkins, auctioneer, to Mr. W. McClure for \$5500. Possession to be given March 1, 1920.

TERPSICHOREAN MINSTREL TO BE GREAT TREAT

Some of the City's Best Talent Is in the Cast of Characters for Big Home Talent Show.

The Terpsichorean Club is busy night and day rehearsing for the big minstrel show to be given at the Washington Opera House on next Tuesday and Wednesday evenings, October 21-22.

The show opens with an elaborately staged First Part entitled "The High School of Minstrels," during which the following well known local comedians and balladists will participate: Ed Duley, Elmer Hayes, Clarence Olson, Robert Buckley, Bill Tully, Clarence O'Keefe, Fred Cogan, David Cole, Murray Simpson, C. N. Ginn, Arthur Lynch, Herbert Williams, Quinn Martin, Reed Rains, John Arn, Louis Conti, John Gantley, Charles Dietrich, James Capron, George Redmond, Leonard Wallingford, Hobart Bradford, Robert Rosser, Richard Gaither, Leslie Walker, Hans Hirschfeld, Robert Willocks and Elgin Peck.

Stanley Jacobs will act as interlocutor.

The Second Part will contain the following acts "Terpsichorean String Octette", "After the Battle", "The Burlesque Base Ball Game", "Trust vs. Syndicate" and last but not least the big dancing diversion "Moonlight on the Mississippi." From all indications the attendance will be the largest of the season.

CAPT. OSBORNE'S LECTURE

Captain Osborne will lecture at the First Presbyterian Church Sunday night.

Captain Osborne is a British veteran, born in India and son of Major Osborne of Kitchener's staff. He volunteered in the East India army, and was in the campaigns in Mesopotamia and Palestine. He was wounded several times and has a thrilling personal story.

He was a favorite lecturer at the Centenary, Columbus, Ohio, and has lectured at Dr. Condit's Church, Ashland, and in many others. He will discuss the Christian problem in India and in the countries won from the Turks. What he has to say of Mesopotamia the home of Abraham and Palestine, the native country of Christianity, must interest his hearers deeply. Our people, generally, are invited to hear this noted soldier and speaker.

CHILDREN MEETING WITH SUCCESS IN TICKET SALE

Children of the First District School are meeting with much success in the sale of tickets for the big feature picture "Mrs. Wiggs in the Cabbage Patch" to be given at the Washington next week for the benefit of the Penny Lunch. If you have not purchased your ticket yet do it today and encourage the school kiddies.

ADAMS COUNTY WOMAN SHOOTS AT SUPPOSED BURGLAR

Peebles Woman Displays Bravery When Attempt Is Made to Enter Her Home.

Mrs. Julia Rucker, of Peebles, about one o'clock Saturday shot at and wounded an unknown man who had attempted to enter her residence thru the front door.

During the past two months several cases of robbery have occurred at stores and residences in Peebles.

About two weeks ago Mrs. Rucker heard some one at her front door during the night and scared the party away by making believe she was calling to some one else in the house.

On Saturday night she was awakened by hearing some one trying to unlock the front door. She jumped out of bed with a revolver in her hand and quickly fired two shots through the door.

She heard the man hurriedly leaving and opening the door stepped out on the side walk and fired two more shots at the fleeing figure as the man disappeared up an alley. Investigation revealed a trail of blood spots leading off the porch and up the pavement to the alley, proving that one of the shots fired through the door by Mrs. Rucker had struck the man, probably in the hand, as the shot passed through near the knob of the door.

The party is thought to have reached a waiting automobile in the alley, as a machine was heard leaving the scene just after the shots.

CITIZENS TO PAY FOR IMPROVEMENT AT ONCE

Residents along the line of the improvement in Market and West Second streets which has just been completed, will be presented with bills for their pro rata of the cost of the improvement immediately. This improvement was made under an agreement for the city, the property owners and the Maysville Street Car Company to pay for it jointly and as the contractors have completed their work, they will be paid immediately.

Mrs. Jennie Wheeler, of Champaign, Ill., and Mrs. H. H. Melvin, of Montecello, Ill., are the guests of Mr. and Mrs. George Kirk at the Kirk.

"FLYING PARSON" IS EXPECTED HOME TODAY

Maynard Leads Field in Cross-Country Derby Making New Records For Long Flights.

New York, October 18.—Lieutenant Belvin W. Maynard, "sky pilot", expected to arrive at Roosevelt Field, Mineola, early this afternoon, completed the first flight from ocean to ocean and return in history.

Maynard won the first leg of the transcontinental race when he flew from Mineola to San Francisco, a distance of 2701 miles. Indications today were he also would win the second leg by a large margin. He spent the night at Cleveland, only 503 miles from Mineola.

After seemingly being eliminated through disablement of his motor at Wahoo, Neb., Maynard succeeded in transferring to his plane the engine of a Martin bomber, which had been eliminated near there, accomplishing the feat in 18 hours.

In his 738-mile flight from Cleveland to San Francisco he broke his previous record over that course, deliberately taking a short cut across lower Lake Michigan.

Maynard left Cleveland at 6:58 central time today and arrived in Buffalo, 183 miles away, in 74 minutes.

PRICE WAR ON POTATOES

People in the neighborhood of Third and Limestone streets profited by a price war on Irish potatoes between two grocers in that neighborhood today. One grocer placed a sign on his window advertising potatoes at 48 cents a peck. A grocer on the opposite side of the street put up a sign offering them at 45c and immediately the competitor reduced his potatoes to 40c and the other grocer cut them to 37c. If this keeps up during the afternoon one of these grocers will be paying folks to buy potatoes from them by eight o'clock tonight.

AMERICANS GIVE HEARTY SUPPORT TO MEMORIAL PLAN

President Roosevelt Memorial Association in Statement Gives Encouraging Report.

New York, October 17.—William Boyce Thompson, President of the Roosevelt Memorial Association, today issued the following statement:

"With the co-operation of State, county and local committees in all parts of the United States, the Roosevelt Memorial Association is ready for its campaign during the week of October 20-27 to honor the memory of Theodore Roosevelt. The people of the United States are requested throughout that week to contribute to the fund for memorials to Theodore Roosevelt.

"The Roosevelt Memorial Association believes that Americans desire to see two forms of memorials for their dead leader. The first of these forms is one that shall be immediate and that shall enable all Americans to subscribe to and uphold the staunch Americanism of Theodore Roosevelt. The concrete expression of this memorial will be a series of meetings held in every city and town of the United States on Roosevelt's birthday, October 27th. All states, county and local committees comprised of representative citizens of all denominations, political parties and social classes, are actively engaged at present arranging for these meetings on that date. Prominent speakers at these meetings will voice the staunch patriotic principles of Theodore Roosevelt and will ask their audiences to take part in the movement to cherish and perpetuate his ideals of Americanism.

"In addition to these memorial meetings, which will be a tribute to the genius and patriotic service of Theodore Roosevelt, there will be permanent memorials that will convey to present and future generations the character and principles of Theodore Roosevelt. It is for the establishment of these permanent memorials that the people of the United States will be asked during the week of October 20-27 to make contributions to the memorial fund of the Roosevelt Memorial Association.

"Every person who gives to this fund during that week will become a permanent member of the Roosevelt Memorial Association. In behalf of this Association, I call upon the people of the United States to join in this membership movement.

"It would be contrary to the broad American principles upon which the Roosevelt Memorial Association is founded to fix any amount requisite for membership. Any contribution, large or small, will entitle the person to membership.

"Men, women and children by the thousands are visiting the grave of Theodore Roosevelt at Oyster Bay. Millions of others who hold his memory in esteem and affection are not able to make this journey, but the plans of the Roosevelt Memorial Association for the week of October 20-

WASHINGTON COLORED NEWS

The Haven Chapel Church, Washington, is undergoing some needed repairs.

Our eight-day financial rally begins Saturday evening at 7:35 p.m. The Soul Stirring Department will be conducted by Sister Carrie Jeffries, who comes to us highly recommended by the church, as a sweet, clean lady, evangelistic in the Christian work. Everybody is hereby invited to come and assist us in this spiritual and financial drive. Each lady member and friends are expected to contribute one dollar or more, and each male member and friends two dollars or more according to their abilities. The net proceeds will be divided equally between the Stewards and Trustees. Four clubs are at work. Get an envelope from them and put your money in it and bring or send it in at any time and get your name on the honor roll, which will be tacked up in the frame in the church and sent to the press. Meeting opens Saturday, October 18,

at 7:35 p.m. and closes Sunday, October 26, 1919, with the four cornered rally. Don't miss this meeting.

I think the colored people of Washington should ever remember the party that gave us our first privilege to vote and show our appreciation by voting for the entire Republican party in November.

REV. W. A. HINTON.

MUST GIVE VOTERS

PROHIBITION BALLOT

Frankfort, Ky., October 16.—Under Section 2, Chapter 63 of the Acts of 1918, the clerk of election is required to furnish each voter who presents himself at the polls a ballot on the prohibition amendment. This opinion was given today by Assistant Attorney General D. O. Myatt. In answer to a query as to whether the clerk of election should present to each voter a ballot to be voted on the amendment whether the voter requests it or not.

Mr. Myatt is of the opinion that it is not necessary for the voter to make a specific request for the ballot.

NEW YORK TO GO

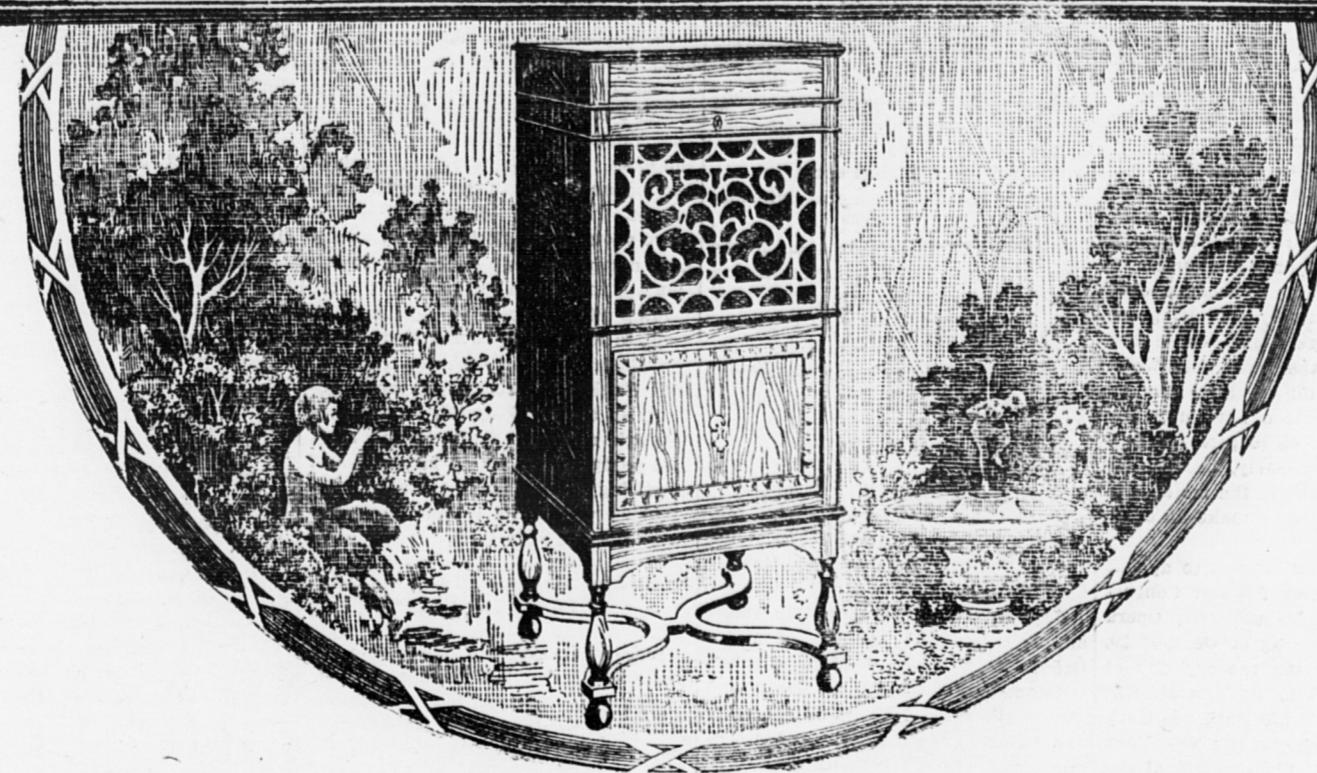

ON SUGAR RATIONS

New York, October 17.—Arthur Williams, Federal Food Administrator for New York, today was perfecting plans to place the city on a sugar rationing basis similar to that in force during the war.

Increased use of sugar for "soft" drinks resulting from the enforcement of prohibition and the shortage in receipts of raw sugar resulting from the strike of longshoremen, which virtually stopped shipping, were blamed by Mr. Williams for what he termed the most serious sugar shortages since 1917. Sales of sugar will be limited to one pound for each customer, and many restaurants already have begun using sugar envelopes instead of the open bowl.

The NEW EDISON

No needles to change. Even records of all other makes sound more human when played on The New Edison.

Re-Created Music Is Music Plus Personality

THE music of a great artist thrills and stirs us, where the same music rendered by another may leave us utterly cold—

Because—

Into his music the true artist has woven his whole soul—has made his music the expression of his Personality—made it a living thing.

And right there is the distinction between the New Edison and all other phonographs.

The genius of Thomas A. Edison has caught the music plus the Personality of the artist. It is wonderful. It is true music Re-Creation.

Close your eyes when listening to the New Edison and it is the living artist you hear. The artist himself speaking through music.

Music plus personality! Such music The New Edison and only The New Edison gives you.

Without Personality music is mere sound. With it, music is something vital that strikes at one's very depths, sum-

moning memories, hopes long buried, and tender feelings. That is what music with Personality means, and that is the music the New Edison gives you.

If you delight in beautiful furniture, then by all means see the charming exhibit of New Edison Period Cabinets. It includes Sheraton, Jacobean, Chippendale, William and Mary and Eighteenth Century English Cabinets illustrative of the very finest examples of the craftsmanship of these golden ages of furniture designing.

Miss Elsie De Wolfe, America's foremost interior decorator, after examining this new line of Edison Period Cabinets volunteered this unqualified endorsement of them:

"The Period Cabinets which Mr. Edison has adopted are in pleasant contrast to the rather grotesque cases one so frequently sees. From the characteristically diminutive and graceful Hepplewhite to the costly replicas of historical pieces, the superior furniture value of the Edison cabinets can scarcely fail to impress the lover of good furniture."

So come in today. See these beautiful new cabinets. Hear the marvelous music Re-Creations of the New Edison. Both will delight you. Come—today.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the great portion of the ear. There is only one way to cure Catarrhal Deafness and that is by a constitutional remedy. Catarrhal Deafness is caused by an impaired condition of the mucous lining of the Eustachian Tube. When this tube is closed, the air cannot pass through it and the ear becomes inflamed and the hearing is lost. Catarrhal Deafness is the result. Unless the tube is restored to its normal condition, the deafness will be permanent and this tube will be destroyed forever. Many cases of Catarrhal Deafness are cured by Halls Catarrhal Medicine. It is an inflamed condition of the mucous surfaces of the ear. Halls Catarrhal Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Halls Catarrhal Medicine. Circulars free. All Druggists. 15c.

In Your Back Yard

Take Little Room—GROW QUICK—Are Easy to Raise

The pair of pigeons Noah took into the ark could nest, and hatch and raise a pair of squabs in the forty days the rain lasted. The eggs of pigeons hatch in seventeen days. The squabs are ready to eat in three to four weeks. No other domestic bird or animal can make its meat product from start to finish in so short a time and repeat seven or eight times a year.

A box attached to a wall will house a pair of breeding pigeons. A coop 6x6x6 feet will accommodate eight to ten pairs. What little care pigeons require can be given at the convenience of the keeper at night by artificial light quite as well as by daylight.

MORE THAN A BILLION WASTED IN AIRCRAFT

Railroads Were Built at Extravagant Cost for Ultimate Benefit of Big Lines.

Washington, October 18.—Expenditure of \$1,055,000,000 for the creation of aircraft which never reached the battle front, and useless waste in the construction of railroads, are proven by testimony taken by Chairman Jas. A. Frear, of the sub-committee named by the War Expenditures Committee to visit the Pacific Coast.

Of the original amount of \$1,600,000,000 appropriated by Congress for air work in the prosecution of the war, enough was stopped by legislation shortly after the armistice to bring the figure down to nearly a billion dollars, but of this total any actual battle result was never achieved. There were 235 de Haviland observation planes on the front, but no bombing machines. It is expected that the full evidence of the ruthless extravagance in the expenditure will be brought out in the report of the committee.

In Oregon a railroad spur for logging purposes was built from Yakima Bay south to what is known as the Blodgett tract. The 23 miles of road were constructed at a cost of \$90,000 a mile. The cost of building this same road in ordinary circumstances would have been \$10,000 or \$15,000 a mile. On December 2, 1918, nearly a month after the signing of the armistice, a contract was made for the purchase of

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadorsville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would grip me and afterwards it seemed I was more constipated than before.

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape.

I cannot say too much for Black-Draught for it is the finest laxative one can use."

Thedford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it.

CHIROPRACTIC TALKS No. 6

Peculiar to Women

Many women continually bear the burden of distress and pain with fortitude just because they are women. Few of them realize that their ailments are due primarily to disturbed nerve function that can easily be corrected so that they may be free of the nerve-racking, system-wrecking spells that make life miserable for them periodically.

Most women can be strong, healthy, happy and vigorous, because their highly nervous and complex organism readily responds to Chiropractic Adjustments that offer a safe and effective means of restoring normal function.

Chiropractic (Ki-ro-prak-tic) corrects the cause by adjusting the spine and relieving the nerves of the bone pressure, which disturbs the nerve function. With the pressure removed normal function is restored and Nature builds up and strengthens the system. Acute and chronic cases are handled by Chiropractic in Nature's own way. Operations, drugs and instruments are needless in

CHIROPRACTIC THE BETTER WAY TO HEALTH

Women everywhere are turning to Chiropractic for relief, because they find it not only effective, but free from the embarrassments of other methods. Every woman should investigate Chiropractic and learn what it can do for them in a health way.

GEORGETOWN APPLAUDS OUR BOYS' BAND

The Georgetown (O.) News-Democrat says: People applauded the juvenile band which came from Maysville Friday, for many reasons, and the regular organization gave them full time in the exhibition ring that afternoon. Prof. John Young came from his home north of town, and took his place directing the organization. The selections played while not difficult, were of the popular class, very tuneful and were well executed. There were two little girls in the organization, and there is a membership of something like thirty. Unquestionably wonderful strides have been made since the formation of this organization, which is due to both Prof. Young and the members who have followed him so closely. Coming with the organization was Colonel Russell and many other citizens of that city, who are justly proud of their band.

Buy in Maysville. It pays.

These Rats Wouldn't Eat My Best Grain," Says Fred Lamb

It's hard to keep rats out of a feed store. Tried for years. A neighboring store sold me some RAT-SNAP. It worked wonders. Gathered up dead rats every morning. Bought more RAT-SNAP. Haven't a rat now. They won't eat my best grain when I throw RAT-SNAP around". Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by J. Jas. Wood & Son, M. C. Russell Co., and Mike Brown.

Senate Vote Cheers Wilson

Washington, October 17.—President Wilson continued to show improvement today, White House officials said, and he appeared to be much cheered by the defeat of the Shantung amendment to the peace treaty. The result of the Senate vote was communicated to the President immediately after it was announced late yesterday.

TOWN PLANTS 900 TREES

New Bedford, Mass., is setting out 900 trees and this town claims that it almost holds the record for the number of trees it possesses in proportion to street mileage, according to a report to the American Forestry Association, of Washington, whose campaign for memorial trees for soldiers and sailors is nation-wide and which is registering all such trees.

Crab Orchard, Ky.—The thief who took seed wheat from the barn of David Street, also took a sack of fertilizer to insure a good yield.

Whitesburg, Ky.—Ten cars were wrecked in a collision between a freight train and a coal train near Barwick on the L. & N.

Paris, Ky.—A coroner's jury which investigated the tragedy holds blameless Stanley Dickson, whose car ran down and killed Isaac Alexander.

EVIDENCE THAT CONVICTS

A Twice-Told Tale That Will Convict to Ledger Readers.

Fourteen years ago, Mrs. Burns publicly endorsed Doan's Kidney Pills; She then told of benefit she had received. With unshaken confidence, She confirms her statement— Tells how passing years have strengthened her faith in Doan's. There's no better test than the test of time.

Can any Maysville reader ask for more convincing evidence?

Mrs. John Burns, West Second Street, says: "I was subject to severe spells of backache and other kidney trouble. They would come on every three or six months and there were times when I was confined to bed and rendered helpless. I used Doan's Kidney Pills and the quick and decided benefit I received from Doan's Kidney Pill was wonderful. I have never had such severe attacks since." (Statement given February 13, 1914.

NO TROUBLE SINCE

On November 15, 1916, Mrs. Burns said: "I have the same good words of praise for Doan's Kidney Pills today, as ever. I have not needed a kidney medicine since I first took them." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burns had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

PUBLIC SALE

OF WELL IMPROVED SMALL FARM

TUESDAY, OCTOBER 14,

10 O'CLOCK

In as much as I don't care to be burdened with the responsibility of looking after my farm at my time of life I have decided to offer it at Public Sale to the highest bidder on the above date.

There is about 63 acres in the farm; situated in Mason County, Kentucky, in the Minerva precinct on the Big Pond Pike 6 miles West of Maysville; in Consolidated School District. This is a well improved small farm, in fact there is few like it in the county. There is a 6-room Frame House, in good condition, stock barn and tobacco barn, with usual outbuildings, all buildings in good repair. Fencing is good, and there is an abundance of water for stock and family use even at this drough period. Possession will be given for seeding this fall and full possession March 1, 1920. Land will be sold on easy terms. Sale will take place rain or shine on the premises, so be on hand if you want this desirable little farm.

Why Central Can

Not Answer

Questions

The duty of the switchboard operator is to answer your number calls and get connections for you.

If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers.

When in response to a question, the operator says: "I will give you Chief Operator", she is obeying her instruction.

If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.
